

THE WORD THIS WEEK

THIRTY-THIRD SUNDAY IN ORDINARY TIME YEAR C

13 November 2022

We must be very careful that the real point of today's first reading is not washed away in genuine concerns over what one can and cannot say about the responsibilities of spouses. This is not, in fact, a recipe for 'the perfect wife', but an illustration, from one age, of the virtue of fully employing the talents God gives us. Some things are timeless, such as holding out a hand to the poor, while other talents shift and change. The point is that all of us are gifted in varying ways and degrees: none of us should begrudge anyone else their talents, for fear that we overlook our own. We work wisely and well, looking forward to the master's return, when we can hand over to him not just what he gave us, but also the fruits that our labours have gained.

15. SCHOOL NEWS

Corpus Christi: This week our school council led our remembrance assembly for Armistice Day. They led us in prayer in remembrance for those who have died. As a school we took the time to learn about the meaning of Armistice Day and why it is important to remember it. Many of our classes did activities to mark the day.

St Herbert's: It's been a busy week in school this week. On Friday we held our Remembrance Service which was attended by Governors one of which is the Deputy Lieutenant of Greater Manchester. The children placed a class Poppy Wreath at the foot of a cross. It was a beautiful reverend Service.

On Monday Year 4s play netball against St Paul's Royton. They played really well but unfortunately lost 5 - 2. The football team played against St Anne's Royton at Newman RC College. The match ended in a draw -6-6 Well done both teams.

SUNDAY SMILE

Children's Prayers (3) Dear God ...

If you give me give a lamp like Aladdin, I will give you anything you want except my money, or my chess set.

How come you did all those miracles in the old days and don't do any now?

Please send me a pony. I never asked for anything before you can look it up.

How come you didn't invent any new animals lately? We still have just all the old ones.

Instead of letting people die and having to make new ones, why don't you just keep the ones you got now?

We read that Thomas Edison made the light but in Sunday School they said you did it. So I bet he stole your idea
